About the Iowa Scholastic Clay Target Program, Inc.

Established in 2006, the Iowa Scholastic Clay Target Program, Inc. is committed to supporting organized youth, high school and colligate clay target shooting programs across the state of Iowa. With funding provided by those sponsors listed in this shoot program, Iowa SCTP, Inc. and it's volunteer board of directors has been able to provide funding and therefore more opportunities to new school-based teams, coaches and shooting athletes. Below are just some of the efforts Iowa SCTP, Inc. has created for Iowa youth clay Target Programs:

- Iowa SCTP, Inc. pays one penny per each competition target registered with the Iowa DNR into a team endowment account through the Iowa SCTP, Inc. [Target Incentive Program](#).
- Iowa SCTP, Inc provides tuition reimbursement and subsidizes target, ammunition and food costs for coaches attending sponsored coach certification courses including the NRA/USA Shooting Level I coaches course, the NSSA Level I Instructor Course and the NSSA Level I Instructor course.
- Iowa SCTP, Inc provides tuition reimbursement subsidizes target, ammunition and food costs for coaches and athletes attending development camps focused on international-style competition.
- Iowa SCTP Inc. provides fundraising opportunities for local programs through MidwayUSA sponsored raffles. These raffles are designed to satisfy both short term and long term funding needs by providing cash for the season AND by building the team endowment account.
- In 2014, Iowa SCTP, Inc. will be providing additional coach trainers to expand coach training efforts established by Iowa DNR Shooting Sports. Additional coach trainers will be responsible for certifying more coaches through the DNR Basic Shotgun Coach Program and the NRA/USA Shooting Level I coaches course.

If you think these efforts are worthy and important, please consider making a tax-deductible contribution to Iowa SCTP, Inc. For more information on how to donate, or become a program sponsor visit www.IowaSCTP.org

Scholastic Pistol Program State Championships

The Scholastic Pistol Program (SPP) provides the opportunity for young adults to participate in the exciting and challenging family sport of "speed shooting" in a supportive environment taught by trained and supportive adult coaches focusing on the safe handling and use of handguns.

The basic competitive unit of SPP is a four-person squad; each squad shoots four stages. In SPP competition, your time is your score. Total score for all stages will determine each competitor's match score. The combined scores of the four shooters become the squad's match score.

On June 21st and 22nd, 2014, the Dragoon Chapter (Ankeny) Izaak Walton League and DNR Shooting Sports will host Iowa's first ever SPP State Championship. For more information on the inaugural SPP State Championship, contact Rachel Ladd at 515-729-6037 or rachel.ladd@dnr.iowa.gov.
